Judogi Control

It will be operated with a Sokuteiki prior to the fight. Judogi must have an IJF Official Label "APPROVED JUDOGEI" with an optical code which cannot be falsified. The label can be controlled with an optical lamp. Each of the competition clothing articles (jacket, trousers and belt) must have an IJF official label.

Backnumber

Each competitor taking part in the EJU events is obliged to have sewn on the back of his Judogi the official backnumber (both EJU and IJF are allowed) bearing his surname and his National Olympic Committee abbreviation. The backnumber can be ordered from www.ijfbacknumber.com or www.mybacknumber.com (Attention: production and delivery takes around 4 weeks). The SPONSOR part (if needed) will be given to the head of delegation during registration, and the athletes can stick it themselves using the special glue on the back number.

Markings and Advertising

Judogi markings must be in accordance with the EJU regulations. The space on the shoulder stripes can be only used by the EJU Suppliers. Advertising on the arms (10cm x 10cm on both right and left side) can be used by federations and their Judoka as usual for their own benefit.

Detailed information is available on <http://www.eju.net/statutes>.

National Emblem

Athletes can have their national emblem on the left front part of the jacket within a space of 100cm².

Important:

- If an athlete does not respect the Judogi rules, the athlete will not be permitted to pass the Judogi Control, and the coach who is responsible for the athlete will be suspended for the rest of the competition day.
- The organiser is not obliged to provide reserve Judogi at Judogi Control, but the athlete is allowed to present himself in another IJF Approved Judogi, complying with the Sokuteiki rule (and without backnumber) - in this case no coach can go with this athlete to the mat!
