# Doha Masters, Qatar

 @MariusVizer

They are the best and here they are, in one of the best cities in the world. Welcome to the Masters, welcome to Doha.

As you all know, this is a complicated year. The coronavirus pandemic has forced us all to modify established plans, for the good of judo and the world. Now here we are, willing to continue our lives and continue to promote our beloved sport, without anything or anyone preventing us.

In that regard, I would like to thank the commitment of the Qatar Judo Federation, whose effort has been enormous, ensuring everything is prepared on time.

The Masters is therefore ready to begin. Now this is an even more important qualifying tournament for the Tokyo Olympic Games, with the crème de la crème of the World Judo Tour in a struggle to conquer a prestigious title and earn the valuable points that can allow a benevolent draw in the Olympic event.

It will happen here, a place tied firmly to its history but that bets on the future, with its avant-garde architecture, its green spaces as a pulse against the desert, its desire to be the epicentre of culture and business. This is Doha!

There are numerous incentives, more than usual. That's why this Masters is so special.

I wish you all good luck, strength and honour.

**Marius VIZER**  
**President**  
**International Judo Federation**

IJF keep the right to test any participating athlete beyond the above selection during an event.

All additional tests are deemed in-competition tests. At its own discretion IJF may allow Testing Authorities to conduct out of-competition tests as well.

Each National Federation is directly responsible for its athletes (the control of non-pregnancy and the control of gender). It must assume all responsibility for accident and health insurance as well as civil liabilities during all IJF events for everyone under their charge.

National Federations are responsible to provide insurance guarantees to their delegates during any IJF WJT event. The organiser of the event and the IJF will not be responsible in the absence of insurance.

The entity contractually bound to the IJF for the organisation of the event shall take all necessary actions to provide insurance coverage against civil liability for the entire duration. The organiser of the event and the IJF have no liability for any claims of injury, illness or death arising from the travelling to and the participation in this event.

## INSCRIPTION OF DELEGATES

Only entries of member National Judo Federations will be accepted. In some exceptional cases, the IJF can, in order to protect an athlete's career, inscribe an athlete into an IJF event, under his/her National Federation Flag or under the IJF flag, according to the specificity of the case.

Athletes can be entered in ONLY one weight category per IJF WRL event. Participating athletes must be born in 2006 (15 years in the calendar year) or before.

Each person can only be inscribed with one function (i.e. athlete, coach, referee, team official etc.) per event.

The National Federation is responsible for obtaining legal approval and permission for minor athletes to compete in competitions. When travelling with minors the team official/coach must have all the necessary documents in place that authorises them to act on behalf of the parents/guardians "in loco parentis". This also applies to doping control. The National Federation must ensure that minor athletes have their parental/guardian permission to undergo testing.

Non-competing athletes or training partners can be inscribed as judoka.

After the deadline changes can be made one to one, like for like, due to injury or illness. For example, an injured athlete can be replaced by another athlete regardless of gender or weight category. An ill team official can be replaced by another team official etc.

## ACCREDITATION

The purpose of accreditation is to identify people and their roles at events and allow them necessary access to perform their roles.

At least one team delegate must attend on time to confirm the entries of all athletes and officials with a signature on the delegation confirmation list. A delayed appearance or no-show may result in the exclusion of all participants from the draw and the event.

For each official team member from a national delegation (athletes, coach, team official, doctor etc.) an accreditation card is issued by the IJF during the official registration. A delegate should never wear another delegate's accreditation card. The accreditation card remains the property of the IJF and can be withdrawn, with immediate effect, at the IJF's sole discretion.

The accreditation card is valid for the duration of the competition and is the personal identity document of the delegate for all security and access controls. This card contains: last (family) name, first (given) name, country, IJF ID number, a picture and for athletes their weight category and WRL position. Quota for officials for accreditations (includes team officials, coaches, doctors and physiotherapists):

- One – four (1-4) competitors = three (3) officials.
- Five – nine (5-9) competitors = five (5) officials.
- 10 or more competitors = seven (7) officials.

The accreditations for National Federation president, referee and judoka are not included in the above calculation.

The fee for additional team official(s) (who must be inscribed in judobase) is 100 US\$ per accreditation, to be paid to the organisers.

Replacement of lost or forgotten accreditation will be charged at 50 US\$ to be paid to the IJF.

## DRAW

**The draw will be held online. A link will be sent to the registered countries, so coaches can follow and participate.**
